

## CCEMTP<sup>sm</sup>/NR Paramedic Refresher Requirements /Breakdown Comparison

### If you ARE an NCCP State, the following applies to you:

NRP~NCCP Requirements: a total of 60 hours of continuing education

- A. Complete a State or CAPCE (F1, F2, F3\*\*, F5) approved 30 hour Paramedic National Continued Competency Requirements (NCCR) course or equivalent state or CECBEMS approved continuing education.  
*Successful completion of the UMBC CCEMTP will provide 30 hours of the required NCCR 30 hour requirement.*
- B. 15 hours of Local Continued Competency Requirements (LCCR) additional state or CAPCE (F1, F2, F3\*\*, F5) approved EMS related continuing education.  
*100% Attendance/ completion of the UMBC Paramedic CCEMTP will provide you an additional x hours which you may apply to LCCR.  
(You MUST check with your individual State or CCEMTP Coordinator to ascertain which topics of CCEMTP will be applicable to your State LCCR established requirements. It is possible that CCEMTP will fulfill all 15 hours but you must verify this on your own.)*
- C. 15 hours of Individual Continued Competency Requirements (ICCR). Must be state or CAPCE (F1, F2, F3\*\*, F5) approved EMS-related continuing education.  
*100% Attendance/ completion of the UMBC CCEMTP will provide you an additional 15 hours which you may apply to ICCR.*  
**You will receive a course attendance certificate upon 100% attendance/completion of the course for 100 total continuing education hours.**

### If you are NOT an NCCP State, the following applies to you:

NRP Requirements: a total of 72 hours of continuing education

- A. DOT 48 hour Traditional Paramedic Refresher  
Completion of a state or CAPCE (F1, F2, F3\*, F5) approved 48 hour Paramedic refresher course.  
*100% Attendance/ completion of the UMBC CCEMTP will provide 48 hours of the required 48 hours for Section 1A/1B.*
- B. Section 2 - an additional 24 hours of continuing education activity  
*100% Attendance/ completion of the UMBC CCEMTP will provide 24 hours of the required 24 hours for Section 2*
- C. ACLS and CPR (or their equivalents are required)  
**You will receive a course attendance certificate upon 100% attendance/completion of the course for 100 total continuing education hours.**

CCEMTP 2016 Paramedic National Continued Competency Program (NCCP)			
National Continued Competency Requirements (NCCR)			
Required	Hours Obtained		Date Completed
<b>4</b>		<b>Airway, Respiration, Ventilation</b>	
	1	Ventilation	CCEMTP
	1	Capnography	CCEMTP
	2	Advanced Airway Management in the Perfusing Patient	CCEMTP
<b>10</b>		<b>Cardiovascular</b>	
	2	Post-Resuscitation Care	CCEMTP
	2	Ventricular Assist Devices	CCEMTP
	1	Stroke	CCEMTP
	2	Cardiac Arrest	CCEMTP
	1	Congestive Heart Failure	CCEMTP
	1	Pediatric Cardiac Arrest	CCEMTP
	1	ACS	CCEMTP
<b>4</b>		<b>Trauma</b>	
	1	CNS Injury	CCEMTP
	1	Tourniquets	CCEMTP
	1	Field Triage	CCEMTP
	1	Fluid Resuscitation	CCEMTP
<b>7</b>		<b>Medical</b>	
	1	Special Healthcare Needs	CCEMTP
	1	OB Emergency	CCEMTP
	1	Communicable Diseases	CCEMTP
	1	Meciation Delivery	CCEMTP
	2	Pain Management	CCEMTP
	1	Psychiatric Emergencies	CCEMTP
<b>5</b>		<b>Operations</b>	
	1	At-Risk Populations	CCEMTP
	1	Pediatric Transport	CCEMTP
	1	Culture of Safety	CCEMTP
	0.5	Affective Characteristics	CCEMTP
	1	Crew Resource Management	CCEMTP
	0.5	Role of Research	CCEMTP
<b>30</b>	<b>30</b>	<b>Total Hours of NCCR</b>	
<b>15</b>	*	<b>Local Continued Competency Requirements (MD providers see below)</b>	
		<i>Please check with your State EMS Office to determine whether or not topics covered in CCEMTP will count towards LCCR</i>	
<b>15</b>	<b>15</b>	<b>Individual Continued Competency Requirements</b>	
	<b>15+</b>	<b>Total Hours of LCCR and ICCR</b>	
<b>60</b>	<b>45+*</b>	<b>Total hours obtained in this CAPCE F2 approved educational activity</b>	

## CCEMTP<sup>SM</sup>/NRP Refresher Requirements (NON NCCP)

Hours Required	Hours Obtained	Section 1A Mandatory Core Content	Date Completed
8		<b>Airway, Breathing and Cardiology</b>	
	2	Provide ventilatory support for a patient	CCEMTP
	2	Attempt to resuscitate a patient in cardiac arrest	
	2	Provide care to a patient experiencing cardiovascular compromise	CCEMTP
	2	Provide post resuscitation care to a cardiac arrest patient	
3		<b>Medical Emergencies</b>	
	1	Assess and provide care to a patient experiencing an allergic reaction	CCEMTP
	1	Assess a patient with possible overdose	CCEMTP
	1	Assess and provide care to a near-drowning patient	
5		<b>Trauma</b>	
	1	Perform a rapid trauma assessment	CCEMTP
	1	Assess a patient with head injury	CCEMTP
	1	Assess and provide care to a patient with suspected spinal injury	CCEMTP
	1	Provide care to a patient with a chest injury	CCEMTP
	1	Provide care to a patient with an open abdominal injury	CCEMTP
		Provide care to a patient with shock/hypoperfusion	CCEMTP
8		<b>Obstetrics and Pediatrics</b>	
	2	Assess and provide care to an infant or child with cardiac arrest	
	2	Assess and provide care to an infant or child with respiratory distress	CCEMTP
	2	Assess and provide care to an infant or child with shock/hypoperfusion	CCEMTP
	2	Assess and provide care to an infant or child with trauma	CCEMTP
<b>Section 1B</b>			
<b>Flexible Core Content</b>			
8		<b>Airway, Breathing and Cardiology</b>	
	2	Assess and provide care for respiratory distress in an adult patient	CCEMTP
	2	Perform techniques to assure a patent airway	CCEMTP
	2	Use oxygen delivery system components	CCEMTP
	2	Assess and provide care to a patient experiencing non-traumatic chest pain/discomfort	CCEMTP
		<b>Medical Emergencies</b>	
5	1	Assess and provide care to a patient with an altered mental status	CCEMTP
	1	Assess and provide care to a patient with a history of diabetes	CCEMTP
	1	Assess and provide care to a patient experiencing a seizure	CCEMTP
	1	Assess and provide care to a patient exposed to heat or cold	CCEMTP
	.5	Assess and provide care to a patient experiencing a behavioral problem	CCEMTP
	.5	Assess and provide care to a patient a suspected communicable disease	CCEMTP
1		<b>Trauma</b>	
	.5	Provide care of patient with a painful, swollen, deformed extremity	CCEMTP
	.5	Assess and provide care to a patient with a burn injury	CCEMTP
8		<b>Obstetrics and Pediatrics</b>	
	1	Assess and provide care to an infant or child with suspected abuse or neglect	
	2	Assess and provide care to an infant or child with a fever	
	2	Assess and provide care for the obstetric patient	CCEMTP
	2	Provide care to the newborn	CCEMTP
	1	Provide care to the mother immediately following delivery of a newborn	CCEMTP
2		<b>Operational Tasks</b>	
	1	Use body mechanics when lifting and moving a patient	CCEMTP
	1	Communicate with a patient while providing care	CCEMTP
<b>Section II</b>			
24	24+	Additional hours of EMS related continuing education	CCEMTP

**Please visit [nremt.org](http://nremt.org) for further explanation regarding NCCP/NRP Re-registration Requirements and breakdown of hours. Please check with your State EMS Office or NREMT to determine if your State is an NCCP or non-NCCP State.**

**You will earn 100 hours of F2 contact hours from UMBC thru CAPCE.**

**NCCP: In order to apply CCEMTP hours to your Local LCCR Mandatory hours you must determine the local topics set forth by your State EMS Office.**

**Please work with your Site Coordinator (the course site which you completed your CCEMTP course) to determine the eligible content hours which you may apply to LCCR.**

**\*\*Your site coordinator will provide you with a complete, detailed breakdown at the end of your course, suitable for National Registry purposes.)**

**UMBC attests that this continuing education activity meets the National Registry guidelines for re-registration for both NCCP and non-NCCP.**
